

# Louvers

## Spare parts guide

### Louvers

#### Louvers

- Air inlet louvers are constructed of **fiberglass reinforced polyester** (FRP)
- **Maintenance free** wave-shape with minimum air resistance
- **Prevent water splash-out** during fan cycling.

#### Hygiene and upgrade tip !

Replace your traditional inlet louvers with the new standard combined inlets shields to benefit from **improved hygiene** and **reduced maintenance**.

**Want to replace the louvers of your cooling equipment?** Contact your [local BAC representative](#).
